

Hi Everyone,

Hope you are all safe and well. That is the most important thing. Here is your work for this week 30/3/20 to 3/4 /20. Like I said before, there is no pressure to get all of this done. It is just a guide so please don't panic.

This is a great time to get out for walks in a safe way with your family only, play games, read and write stories, play board games, connect remotely with friends, cook, bake and play with lego and jigsaws. It is a time to enjoy nature and the things we often take for granted. So, please use the time for these things and if you do get some of this work done too, that is great!

Like before, you can email me your work by sending it to;amcneill@comanswoodprimary.ie or if you would rather keep it in a copy, that's fine too.

I know that from next week, RTE are putting on a 'school' programme every morning. It might be fun to tune in to this!

Please continue to stay safe and well and remember this is a very difficult time for everyone so be kind to one another.

Love Ms Mc Neill

Parents/Students,

This message from CJ Fallon is very useful as you try to access resources online.

In response to the COVID-19 crisis, teachers, parents and pupils can access the online versions of all CJ Fallon books for free. Simply click [here](#) and filter to your required title.

If you would prefer to access these directly, visit <http://my.cjfallon.ie>, click 'Student Resources', then filter to the title you require, making sure 'Online Book' is selected under 'Resources'.

Kind regards, and stay safe.

CJ Fallon

Easter
Activities

If you have black paper, chalk and white paper at home, this is a nice Easter activity.

You will need paper cups and card to do this.

Please DO NOT go out unnecessarily to buy items. It's time to get creative with what we have at home!
