Ms Leonard

The following is a list of work for pupils to complete while the school is closed over the next fortnight.

- Any written work can be put into your spare homework copy. Neat writing and presentation including titles and dates is expected.
- In addition to this work, I encourage you to spend some of your time reading, doing arts and crafts and exercising. Also make use of readtheory, duolingo and mangahigh. Coders could work on some Scratch projects.
- Any work completed on Google docs or slides can be shared with me. I'll be checking in on that and can answer any questions you might have if you wish to send me an email.

- Write an essay about being invisible for a day. This can be in your copy but if you choose to use google docs you can share any completed stories with me.

SESE:

- Pick a building that we've been learning about in Roscommon Town (eg the Library, Castle, Old Jail, Sacred Heart Church) and complete a project on it. Can be written or completed on Google Slides (and shared with me)
- Complete a project on any European Country of your choice (excluding France)
- Complete a short project on any topic of your choice (some suggestions: famous person, sport, outer space but choose any topic you've an interest in)

There is a lot of work above. Don't worry if you do not get it all completed, but aim to do as much of it as you can, ensuring you have a balance between work and recreation during your time off.

I hope you all stay safe, happy and healthy during this time off and look forward to seeing you back soon.

Ms. Leonard :)
