

3rd class Reading Comprehension - Readtheory (reading website)

1. Log on to www.readtheory.org
2. Click on button **students- click here**
<https://readtheory.org/app/sign-up/create-account/student>
3. Create your OWN student account (YOU choose a username and password- write it down and keep it safe for again!)
4. Put the code in from your class (All upper case letters- 8 letters/numbers)
Ms. Kelly's 3rd class: **51QL4SXP**
Ms. McCormack's 3rd class: **1W85NW6K**
Ms. Greene's 3rd class: **DUYVS7CQ**
5. You will be asked to complete a pretest (6 question test) to find your right reading level. This will take about 20 minutes, and must be completed in one sitting. Don't worry if the reading or questions seem too difficult, this is just to decide on the work that will be given. After that 1st activity challenges will be for each ability, and you will be able to start your own reading comprehensions.
6. We would like to track your progress after you sign up.

Here is what to do:

1. Students navigate to ReadTheory.org in their internet browser on any device (computer, tablet, mobile).
2. Students sign up / Students log in.
3. Students go to the "My Teachers" page.
4. Students enter YOUR email address (jkelly@comanswoodprimary.ie, cmccormack@comanswoodprimary.ie, agreene@comanswoodprimary.ie) in the space provided.
5. Students click the "Send Invitation" button.
6. We can only track your progress if you follow the above steps.

This is a great resource to develop comprehension.

Practise your Multiplication and Division tables every day. Practise your spellings from the weekly work list in Spell Well/ Fuaimeanna agus Focail
