

20th-24th April

Hello everyone!

I miss you and cannot believe it's been over a month since I've seen you all! I hope you are all well and happy and enjoying the fabulous weather we've been having. Below is a list of work for this week. There is a lot of work here so don't feel under pressure to get every single item done. Work that isn't completed can be carried forward to next week and I'll also assign some additional work for anyone that has completed this week's work.

I think most of you have been in touch with me via email at this stage. I love hearing from you and looking at your work so please keep communicating with me that way. If you're having any difficulty at all with any of this work, please just ask me for help.

Please try and complete the English competition. See details below. This is a time in your life that you will always remember and will talk about for years to come.

I look forward to hearing from you all soon.

Best wishes,
Ms. Leonard
