

Work for Junior Infants June 2nd-5th

Dear parents,

We hope that you are all well after the long weekend. Below is a list of work and activities that we are hoping will allow your child to continue with his/her learning from home.

Please remember to only do what you can, when you can. We are aware of the continued and new difficulties that are facing many parents and children. Please contact us if we can be of any help. We are here to support you and your child.

Thank you and take care
