face life confidently, find fulfillment and be respectful in an ever-changing world.*

Dear Parents,

I hope you all continue to be safe and well. This is the second letter you have received. Please read it along with the first letter all available on the school website. We are making good progress on plans for the return of children safely to school in September. Following our meeting with post-holders we would like you to make you aware of decisions made.

## **GROUPING**

- **Children will be in separate class bubbles averaging 26 children per class bubble with 2 - 3 adults working with the class/bubble.**
- **Class bubbles have a separate entry/exit door, own toilet, own wash hand basin and own play area.**
- **Class bubbles will not mix with other class bubbles.**

## **EXIT/ ENTRY to the school.**

### **Senior Infants to 6th classes.**

Children will be in school on Tuesday 1st September but each class level will come to school in the morning at a different time between 8.55 am and 09.15 am. For example 2nd class will have a specific time to enter in the morning different to every other class. The children will come straight into the school building. Parents will drop their children at the school gate. Siblings will be allowed into school together at the one time but will enter through the door allocated to their class. If your child starts 20 minutes early they will finish 20 minutes early. All children 1st to 6th classes will have a full day in school but again the time going home will be staggered depending on when they came in, in the morning. Parents may have to wait in the car for brothers and sisters who will exit at a time between 2.40 and 3.00pm.

### **Junior Infants**

All parents of Junior Infants will be invited into a meeting with 3 other parents and their Junior Infant to discuss all routines on Tuesday 1st September. All children come to school including Junior Infants on the 2nd September.

### **Books/ School Requisites**

All books, pencil cases etc. will be left in school. They won't go home. Again please ensure that everything is labelled.

**Chairperson: Fr. Kevin Fallon**

**Principal: Dr. Úna Feeley**

**Books can be brought in - in stages over the course of the first week so that children are not carrying heavy weights.**

You know what your child will be able to carry safely.

**Homework**

There will be no homework for the month of September.

**Sanitizer**

Each child must have their own bottle of hand sanitizer which will remain beside them on their desk.

I will be writing to you again with time-tables for when your children start/ finish school.

Thank you and keep safe,

Mrs. Feeley and Mrs, Morris
