We are delighted to announce, after the huge success of last terms course, we are again running our weekly soccer coaching sessions in Roscommon. The course will take place **EVERY TUESDAY** and runs all year round to coincide with each school term. This terms course will run for 12 weeks. We welcome boys and girls of all abilities between **Junior Infants - 5th Class**.

The aim of our soccer courses, are to develop each child rather than the success of a team. The course is run in a none pressured environment and is a great way for children to build confidence, make new friends and maintain a good level of fitness.

Every week a different aspect of the game is covered including dribbling, shooting, passing - also teamwork is worked on as **SMALL-SIDED GAMES** are played every week in all groups.

Children will be coached by our Garda vetted coaches who work with children on a daily basis. It is an **INDOOR COURSE** held in the sports hall, so children must wear runners.

On the final week of the course there is a presentation that all parents and family are welcome to attend. This is where...
